Consignment Agreement

Thank you for your interest in becoming a consigning partner with us! We know how busy parents are and that's why we try to make the consignment process easy and convenient for you.

Here's how it works:

When you bring items in, we will select what our customers will buy. Sometimes there will be items that we cannot sell. Please understand that our customers' preferences will determine our selection guidelines. Items not selected are referred to as "No Thank You's" or NTY's.

We can accept items without an appointment any time during our regular business hours. Most times, if you bring us 1 box/bin or less, we can sort your items while you wait. Or, if you prefer, you can "drop and run", which means that you can drop off your items, we will sort them while you run other errands, and give you a call when we have your NTY's ready to be picked up later that day. Otherwise, larger quantities, or items brought to us late in the day will require an additional 1-3 business days to be sorted. Once we call to let you know that your NTY's are ready for pick-up, we ask that you return *no later than the following day* for them. Otherwise, you can choose to donate them to a charity of our choosing. Due to very limited storage space, items not picked up within 24 hours will be considered forfeited and will be discarded or donated.

***We do the rest!* We hang, steam, tag and attractively display your items on our sales floor for a period of at least **60 days**. We will set the selling prices based on several factors, but generally resale items can sell for 1/3 of the original retail value. Prices will be discounted by 25% if your item hasn't sold within 30 days, and up to 50% there after. At the end of the consignment period you will have the option to donate your remaining clothing items to our \$1.00 rack. All proceeds from this rack are used to support our area's school fundraisers.**

You will receive 40% of the selling price. On equipment priced at \$45 or above, you will receive 50% of the selling price. If you choose to accept store credit in place of cash, another 20% will be added to your pay-out. Stop in for money owed to you at any time within your consignment period. Unfortunately we are unable to contact every consigner whose contract has expired, so we ask that you be responsible for keeping track of your expiration date. Please call at least one day in advance so that we may gather your unsold items to have them ready for pick-up. If we don't hear from you within a reasonable amount of time, and attempts to contact you have failed, your unsold items will be forfeited. You will have a period of 6 months to collect on any balance in your account before it is closed and all monies are forfeited.

We will do our best to safeguard your items while they are in our possession, but we cannot be responsible for damage or loss.

We look forward to a long and mutually profitable partnership with you!

I have read and agree to the above terms.
